## **Rocking Chair Studio Honors Moms Who Like to Stay In Touch**

**Kintnersville, Pennsylvania – April 25, 2007** –Rocking Chair Studio Celebrates Mom’s Day with a Victorian Rose Stationery Tin. Knowing how mothers everywhere like to stay in touch with their family, Rocking Chair Studio created a tin, the *Mom’s Tin™*, to honor those moms who stay in touch by sending cards and letters just in time for Mother’s Day on May 13.

The *Victorian Rose Mom’s Tin™* features a beautiful antiqued photograph of a yellow rose set in a lace border. While the red rose symbolizes love and the pink rose symbolizes admiration, a yellow rose symbolizes happiness and tells the recipient “I care”. The tin includes 6 blank greeting cards with envelopes and 12 postcards with the same yellow rose image to pass on the feeling of joy and caring. The back of the tin makes a perfect writing surface for when Mom is curled up in a chair enjoying the moment.

“My Mom writes to all the grandchildren and our extended family,” says Frank Fabian, executive director of Rocking Chair Studio. “It’s the perfect gift to show my Mom I care about her.”

*The Mom’s Tin™* is one of many new products from Rocking Chair Studio this year. Other products being introduced this May include *\_UZZLES™* - puzzle cards for teens, tweens and adults, *Bendables™* – greetings cards with an unusual twist on common objects, *Birthday Tins™* – invitations, thank you notes and games for a child’s birthday party, Mini-posters featuring Can You Find?® images, Gift enclosure cards – for including with presents and packages, *Game Tins™* that include jigsaw puzzles or car bingo plus a line of jigsaw puzzles and puzzle cards. Celebrating family, fun and wholesome values represent the core values of the company.

“We are proud to say we print and manufacture all of our products in the United States”, says Melinda Fabian, Creative Director for Rocking Chair Studio. “Plus we use recycled paper.”
