**Rocking Chair Studio Launches Can You Find? Greeting Cards  
Its Not Just Kid's Stuff**

**Kintnersville, Pennsylvania - June 17, 2005** - Rocking Chair Studio announced the launch of its "Can You Find?" series of Hidden Object Greeting Cards at the National Stationery Show in New York City on May 15<sup>th</sup>, 2005 bringing the illustrations of Melinda Fabian to greeting cards and providing greeting card puzzles that grab your attention and won't let go.

Each "Can You Find?" card features a colorful illustration of fun, lovable critters in one of four habitats – *Down on the Farm*, *In the Jungle*, *In a Tree* and *Under the Sea*. The cards contain several objects shown at the top of the card hidden in the picture for the recipient to find. While designed primarily for children, adults love to search for the objects too.

"We wanted to provide a card that is fun for kids as well as wholesome," said Creative Director Melinda Fabian. "There's way too much violence and sarcasm bombarding our kids today, even in greeting cards."

Melinda brings over 22 years of experience creating puzzles and activity pages for children's magazines into her designs. Her work has appeared in Nature Friend Magazine, Pockets Magazine, and Sesame Street Magazine. Melinda has created original greeting cards for friends and family for many years. Her "Can You Find?" cards bring together both of Melinda's talents in a way that's fun and exciting.

Rocking Chair Studio has "Can You Find?" cards available to ship immediately. The line comes in forty different designs and four habitats. The cards cover birthday, get well, Christmas, Valentines Day and Easter with more designs on the way. Buyers can purchase each design in packs of 6 or 12. Several package deals are available that include floor standing and counter top displays.
